

Get free help keeping your home warm and dry

Pacific Healthy Homes is an initiative from the Ministry for Pacific Peoples that could help you keep your home warmer, drier and healthier.

You might be able to get help if you are:

- a Pacific person aged 45 or over
- a New Zealand citizen or permanent resident
- on a low income
- renting or living in a home you own
- living in Porirua or South Auckland
- have experienced a condition such as pneumonia, bronchiolitis, rheumatic fever, diabetes or meningitis.

Pacific Healthy Homes initiative

Pacific Healthy Homes is a new initiative led by the Ministry for Pacific Peoples. It helps Pacific peoples aged 45+ have warmer, drier and healthier homes.

Pacific Healthy Homes connects Pacific peoples in Porirua and South Auckland with local providers who can assess their homes and provide help with things like curtains, ventilation, heating, insulation or minor repairs.

Who do I contact to apply for support or to check my eligibility?

Visit the Ministry for Pacific Peoples website for contact details of your local Pacific health and social service provider: mpp.govt.nz/pacifichealthyhomes

Or contact them directly on:

South Auckland:

Habitat for Humanity Northern Region

Email: healthyhomes@habitat.org.nz

Phone: 0800 422 4828

Website: www.habitat.org.nz/locations/northern

Porirua:

Sustainability Trust – Well Homes Pacific Healthy Homes initiative

Email: customersupport@sustaintrust.org.nz

Phone: 0508 787 824

Local providers will be able to help families determine what they may be eligible for and ensure they are connected to those who can carry out assessments and interventions for their homes.

What if I'm not eligible – can I still get healthy homes support?

Yes – if you are a Pacific person who needs help making your home healthier, but do not strictly meet this criteria, you should still contact the Pacific provider in your local area. They will be able to help connect you with the support they have available.
